Dear Lynn Leblanc:

This letter is to address the review of the results related to your on-site survey of December 10 to 13, 2023.

The Accreditation Decision Committee (ADC) is pleased to inform you that St. Anne Community and Nursing Care Centre is **Accredited with Commendation** under the Qmentum Global accreditation program. This is a milestone to be celebrated, and we congratulate you and your team for your commitment to providing safe, high-quality health services.

There are, however, required follow-ups that must be met within the specified timeline to maintain your status. The list below provides details on the unmet criteria that require further evidence from your organization. Please submit the requested evidence of compliance to the ADC mailbox, at AccreditationDecisionCommittee@accreditation.ca, by the due date(s).

Note: once you have submitted the evidence, we may request more information from your organization to complete the review. You will receive a decision letter within thirty (30) business days from the evidence submission due date.
